Purchased to use for wrapping. Good for small gifts. Beautiful papers.

great quality

Beautiful paper for wrapping gifts in. High quality.

loved it

Beautiful reproductions...some too large for my needs

I really like it. I haven't used it because it's really nice. I put it away for next year. It isn't really silk though. I think the label was misleading. Very pretty though.

It's nice but it looks like a book I needed a gift paper to wrap special gift not just to look at.
