Best Sellers Rank: #2,912,737 in Books (See Top 100 in Books) #7 inÂ Books > Travel > United States > Connecticut > New Haven

Customer Reviews

American Map has done a pretty good job here in creating a spiral-bound atlas that also isn't so big in size that it can't easily fit into a work bag/attache. The one negative is that the maps are done in a grid pattern rather than trying to fit all or as much of one particular city onto one page. That means a lot of flipping back and forth and the inevitable non-matching of the maps on facing pages. Overall though if you take some care and patience this atlas will provide some good insights and info.

Finding an up to date road atlas is almost impossible these days. If you need one, grab this. It's more than serviceable, has the highway exit numbers listed which makes finding that spot by exit 52 on ramp easy).

everything i need to get around in tractor trailer most of my delivery's are in this areaglad i made purchase
