We have two Donut Man CDs, and I'd love to buy a few more. These are really great Christian songs for kids. Each song has a lot of character and is very memorable. The songs are all in

different styles, too, so the CD doesn't feel monotonous. You'll get a song with an old Baptist feel, then one that sounds like 60s rock 'n' roll, then another that sounds almost gospel, etc. I'll confess that, while I bought this for the kids, I find myself singing or humming the music on occasion. Plus, unlike some contemporary worship music for kids, there's plenty of content to these songs. Some songs will teach Bible verses, others will teach a general Biblical principle, etc., but there aren't any that are just completely repetitive with no real content. And the music itself is very well-done. The kids sound great, the Donut Man is very talented, and the CDs are very high quality with great clarity. I'd definitely recommend anything by the Donut Man!

The Donut Man provided my now grown children discipleship in the car as we drove from place to place. I was hoping I could still purchase these for my daughter's friend, who now has a little one of her own. I am so grateful this volume was still available. My husband, a pastor, still uses a number of the Donut Man songs in our church's Christian elementary school. The kids love Donut Man songs!

When my children were growing up, I played the Donut Man tapes all the time. I liked the songs that reflected the accounts of Jesus' miracles and other stories from the New Testament. This cd isn't exactly what I wanted but has really great songs but my grandson loves it and that's all that matters!

Our kids loved this CD. The songs are upbeat and infectious. Years later, some of them still come up, and they remember all the words. We all get smiles on our faces. The Donut Man is great for kids. They learn that Christianity is fun, learn versus, and even can name the apostles. He will always have a special place in our hearts.

I bought this CD because it has a song to go along with Psalm 139:14, which I wanted to sink into my sweet kindergarteners' brains. My class loved it and kept asking for the Donut Man. I think they thought his name was neat, too. I had to make an extra copy for myself because I knew I'd wear out my original. Would buy his music again and again.

I have previously used Donut Man videos and cassettes with the children I taught in Christian schools in the late 80's and early 90's. The song lyrics are "catchy" and children are able to internalize the Word of God through the songs. I recommend this for any one with children ages 3-10!

Perfect, New in package. Exactly what I ordered.

Exactly what I hoped for and my grandsons love it.
