Honest and True. Already singing His praises!Lose that brand of stickers. Left a sticky residue on the book when I tried to remove the bar code sticker.Not certain what product to use to remove your label.

I have been remembering the hymns I grew up with, as my mom played piano in the Methodist church for years and couldn't find her book. So I found one and ordered it. Thanks~

We are also very happy with this hymnal, affectionately known to us as "The Red-Back Hymnal." It arrived in excellent condition, and is as good as new. We look forward to many years of our faith journey with this hymnal.

It took three months for me to receive this hymnal, but it was worth the wait. I am very pleased with the hymnal.

I purchase this book for my husband who wanted his very own copy

I got exactly what I ordered a United Methodist Hymnal in very good condition. A person's name was written in front and whited out which was fine with me, in fact, it added a personal touch to the hymnal.

we purchased 36 of these hymnals to complete our church pews. Some are dedicated to people, families, and situations. we enjoyed thinking and praying for people we have not yet met, and were able to complete our collection for 1/10th of the cost of new. we are very, very pleased with each hymnal purchased.

This was little more used than I expected. But it ok it is what I wanted
