Asked to write about a pet she wishes for, Posey chooses dogs, though secretly she is afraid of them. Then a large, loud dog moves in next door. When his paw gets caught in the fence, Posey hears his whimpers. Summoning her courage, she helps him get free and earns his affection. Like other beginning chapter books in the Princess Posey series, this simply written story captures the emotional struggles of a young child as well as the details of day-to-day life at school and at home. Appealing drawings appear throughout the book, and a simple craft is appended. Grades K-2.

"This Posey book is an especially winning tale. . . . Storytelling in a book for newly independent readers can seem stiff, but Greene doesn't miss a step. Posey is the perfect fictional friend for any first-grade girl." --Kirkus Reviews

Praise for Princess Posey "Greene's simple writing style and straightforward plot is ideal for advanced first graders or beginning second-grade readers." "School Library Journal" "Greene proves herself yet again to be an adept chronicler of the ups and downs of the first year of school, and her simple, straightforward prose gives just the right amount of emotional heft to these mini- dramas, neither exaggerating nor reducing Posey's situation. . . . Posey continues to be a winning protagonist, and her escapades are a series worth having on hand." --The Bulletin of the Center for Children's Books

Stumbled upon this series by accident. My daughter (in 1st grade) was worried that they were too difficult for her (she had never read a chapter book by herself before). She had read book 1 by the end of 1st grade and I could hardly keep up with her as fast as she was finishing them. She's read all the books multiple times and still loves them (in 3rd grade). Cute stories with good lessons.

My 6 Year old loves these books ! she read the three i bought her and requested that i buy her some more from the series. Anything that makes my daughter want to read instead of playing video games or watching TV gets a 5 star rating from me !

My daughter started reading this on her own when she was 4 (she's an early reader). She just turned 5 a few months ago and she still keeps on reading this series over and over. I got her all Princess Posey books and she loves them all. Even my 8 year old niece enjoyed reading this series. I recommend this for girls ages 6 to 9.

Love them.. Great story for young readers, boys and girls both...

These came highly recommended and my 1st grader loves them. Would recommend to anyone with an early reader looking for simple chapter books.

My granddaughter loves these books.

My daughter has read every book in the series.

I was proud to give this as a birthday gift!
