Customer Reviews

Disney palace pets whisker the cookie boogie book for children is a good book for kids 4 years and up .to use for learning how to read or to read at read bed time .In this book they follow the pets to different adventures and stickers for them use and have fun with .Would make a nice gift for a child for any occasion throughout the year well be using as gifts as well .

my kids love this story - I thought it was a little weird because the cookies come to "life" and sing and dance but my kids thought it was cute- also came with two pages of stickers which they loved

My daughter's favorite Palace Pets segment. It's a Step Into Reading book that's based off a 3 minute "episode" so it certainly isn't long, but it's enjoyable. She also loved the stickers.
