Guitar For Kids - Book 2: Hal Leonard Guitar Method

Synopsis

(Guitar Method). Guitar for Kids is a fun, easy course that teaches children to play guitar faster than ever before. Continuing where Book 1 left off, popular songs in this volume, such as "Eight Days a Week," "Let It Go," "Rock Around the Clock," "Fields of Gold," "Oye Como Va," and "Dust in the Wind" keep kids motivated, while the clean, simple page layouts ensure their attention remains focused on one concept at a time. The method is equally suitable for children using electric or acoustic guitars. It can be used in combination with a guitar teacher or parent, even if they've never had any musical training themselves. The price of this book includes access to over 30 audio demonstration tracks online, for download or streaming.

Customer Reviews

makes play-along even easier and more fun. hope you do it for all those kids books. plus if the student forgets their book i got it right here on ipad!

I found this book to be very simplistic and not at all useful for my younger students. I think it is priced very high for the information it contains.

It's awesome

Well, despite the promise of access to the audio content, no access code is provide and the kindle version gives an unhelpful error message with no guidance on how to resolve. Hal Leonard have been steadfastly rude in not responding to this issue.
