Customer Reviews

This is a good basic map though I found it a bit hard to read (very small print) and I noticed it is not totally up to date. We are moving to CO and needed it to look up the location of houses we've seen on line and it has been fine for that.

Arrived on time, worked exactly as described. No issues finding locations whatsoever. Recommend for old people who refuse to use modern mapping technology.

Nice map. 2010

Just what I needed, being new to the town.

Does not actually include Pueblo on any detailed level.

Was wonderful aid in our trip out west. Made getting around so easy. Good investment.

Typical Rand-McNally street map - very detailed and easy to read. Would recommend to anyone who needs detailed info on the Colorado Springs area.

easy to use
