Customer Reviews

Kindle version is unusable, the page cannot be enlarged, the pages cannot be printed. Where music is concerned, the Kindle simply doesn't help. Stay with paper.

As recorded tab as advertised.

thank you very much!

Got this book for the husband and got a thata girl for it. I was a little reluctant at first since seller didn't list songs in the book but all of em are awesome.

Enjoying Learning the songs and the tabs make it easy. Having a blast learning RHCP tunes! A must have for any Bass player that is a Flea fan!

Purchased as gift so how on earth am I supposed to provide a wordy review. Made the receiver happy enough.

Great product by Hal Leonard and quick delivery by

Really happy with the book. Just love it. Well spent money :D
