Curious George And The Puppies

Synopsis

When George and the man with the yellow hat visit the animal shelter, George is delighted to discover a large litter of puppies. At first, George just wants to pet the puppy, but then he wants to hold one. George's curiosity gets the best of him, and soon puppies are everywhere. Fall 1998 marks the introduction of eight new Curious George Adventures available in three formats, hardcover, paperback, and paperboard. Fans will also enjoy Curious George in the Snow, Curious George Goes to a Movie, Curious George Goes to a Chocolate Factory, Curious George's Dream, Curious George Makes Pancakes, Curious George and the Hot Air Balloon, and Curious George Feeds the Animals.

Grade Level: Kindergarten - 3

Customer Reviews

Hans Augusto Rey was born in Hamburg, Germany in 1898. As a child, he spent much of his free time in that city's famous Hagenbeck Zoo drawing animals. After serving in the army during World War I, he studied philology and natural science at the University of Hamburg. He then married Margret Rey and they moved to Montmartre for four years. The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious

George was published in 1941. Curious George has been published in many languages, including French, German, Japanese, Afrikaans, and Norwegian. Additional Curious George books followed, as well as such other favorites as CECILY G. AND THE NINE MONKEYS and FIND THE CONSTELLATIONS.

We can't get enough Curious George! We have just about all of these and duplicates. This story is one of her favorites because of "all the hundleys" she sees. Perfect for little ones, George fans and Dachshund/Hundley fans!

What a cute story!! my son chooses it every night over all the other books to read before bed time

My four year old likes it a lot, but these new Curious George books do not seem as great as the old-school ones.

Grownups, as well as children of all ages, are still in love with and falling in love with Curious George over and over again. This charismatic, clever, curious little monkey gets himself in a heap of trouble at the animal shelter, but saves the day after being an "animal rescue monkey." H. A. Ray always creates ways to keep my four-year-old (five next month) little boy's attention with his hilarious adventures that Curious George participates in within all his different books. Our Curious George collection of books is growing. Curious George and the Puppies is one of my son's favorite books. He loves when I read to him, he loves Curious George, and he loves puppies. All children should be more than satisfied with this selection. I got my copy in almost brand-new condition for merely pennies. Thanks !!!

My toddler adores Curious George and loves these books. I highly recommend them for a Curious George fan.

The story itself is just what I expect to get with a Curious George book, and I have no complaints there. The formatting for an e-book is terrible. The words incorporated as part of the pictures are too small to read directly but oversize the pictures so much that I spent more time adjusting font sizes to get the words and pictures on the same page than actually reading. My niece eventually lost interest and walked away. To make sure it wasn't just my device, I tried this book on two devices (Kindle & Android phone). Recommendation: stay far away from this format and select one of the numerous

other Curious George books available.

The story is just fine and as one would expect, but the Kindle edition is horribly formatted and i do not recommend it. The text appears both imbedded in an unreadably small font in each page's scanned image but also in larger text above the picture. The problem is that the two do not match up, as the text is for the previous image. You do not get the correct larger text to match a pic until you are on the next page. Absolutely useless if you are trying to read to a child who wants to see a picture that corresponds to what you are reading.

My son loves Curious George and we actually had his first birthday themed after him! His books are adorable and I love the paperback ones because they are thin and so portable! I always have one popped in my diaper bag!
