You're Two! (Year-By-Year Books)

Synopsis

In this adorable gift board book just for 2 year olds, baby monkey's special third year is celebrated in rhyme. The sometimes sweet, sometimes silly story calls out many of the things the toddler will learn to do between the ages of two and three. Perfect for the child's second birthday or any special occasion for 2 year olds! With space to inscribe To, From, and a brief message on the inside front cover, this book makes a precious gift that will be read over and over and cherished as a keepsake forever. Bonus: If you add this book to a larger gift or a gift basket, it also serves as the gift card! Also in the Year-by-Year Books series: You're Here! and You're One!

Perfect gift for my grandson for his 2nd birthday.

bought two of these books since i have identical twin girls that just turned 2 and i wrote a special

message to each one of them in each book so hopefully they will have it to cherish forever! im looking forward to finding a you're Three book for next year to keep this idea going but our party was monkey theme so this was perfect!

Cute little book with fun pencil illustrations. Odd rhyming scheme, but the pages held my daughter's interest. Talks about the different things they can or will do now that they are two. Great little birthday gift!
