my daughter loves it

Just perfect for my granddaughter. Not too easy, which is good.

daughter loves to practice them!

Great for a gift for my daughter

It was exactly the way I thought it would be :)

I bought this for my 11 year old daughter and she absolutely LOVES it. We got this book mid-year of her 2nd year playing. It was challenging at first but it has been so great to hear her improve over time. She does weekly lessons and practices 30 minutes a day so this book definitely isn't for beginners but it does have some easier pieces as well as more challenging ones. My daughter says, "It's an amazing book and you should totally buy it."

My 12 year old love it!
