Continuum (Play It Like It Is: Guitar With Tablature)

Synopsis

(Play It Like It Is). Mayer was recently lauded by Rolling Stone for his massive guitar talent. This folio features notes & tab for all 12 songs from his third CD, including the hits "Gravity" and "Waiting on the World to Change," plus his cover of Hendrix's "Bold as Love." Also includes an intro on the making of the album. Grammy Winner! Best Pop Vocal Album

Customer Reviews

To put this all in perspective, I've only been playing for a year and a half. I'm pretty decent at reading tabs and music in general, as I have a piano background. However, compared to other guitar tablature books this one is not the easiest to read and is a bit tricky. I use it more as reference when getting through more complicated runs on You Tube. It does contain some of Mayer's more popular songs and overall I'm satisfied.

This is a great book to learn from. It is rather difficult as is John's playing. Don't let that discourage you though, practice & it comes easier. This book I believe to be note for note. It even tells you when to use your thumb over the back of the neck for low notes of the chords!

I thought that inside the book was guitar tab and not only the chords. Please specify that in the description link. Thank you

Bought this book for guitar, and didn't realize until I opened it that it has no guitar tab. Fine for piano/singing, but not worth it for guitar.

Great tab book for a great album. My only improvement is to add the chord shapes used in the song under the header of each song.

Very well written, translates well to piano. What an amazing album

Bought as a gift. Arrived in a timely manner and as expected.

Got it for a few song...needed it tenor sax which requires transposing...
