The Berenstain Bears Learn About Strangers

Synopsis

This classic Berenstain Bears story is a perfect way to teach children about strangers and good decision-making! Come for a visit in Bear Country with this classic First Time Book® from Stan and Jan Berenstain. Sister has gotten into a bad habit of talking to strangers, and now it's up to Papa, Mama, and Brother to show her the important rules of safety. Includes a list of Brother and Sister's Rules for Cubs and over 50 bonus stickers!

Grade Level: Preschool - 2

Customer Reviews

Kindergarten-Grade 2 The familiar Berenstain bear family may help to make a scary subject easier to bear. Brother discourages extrovert Sister from greeting every stranger she meets. Papa tells his children the rules for safe conduct among strangers. After Sister sees the headlines about missing cubs, she over-reacts, seeing every stranger as a threat. This is conveyed by a full-page spread: the top half shows reality, the bottom half shows Sister's scary version. Mama explains the concept of the bad apples in every barrel, literally. A funny looking apple is fine on the inside, but a perfect looking apple is bad on the inside. Finally, the attraction of a toy almost causes usually cautious Brother to go for a ride with a stranger. Sister isn't tattling when she tells her parents, she's just concerned for Brother's safety. The bears' rules are listed on the last page, including one about the

privacy of a bear's body, a topic not discussed in the text. A good book to start awareness in young children. Elise Wendel, Orchard Road School, Skillman, N.J. Copyright 1986 Reed Business Information, Inc.

When Papa Bear tells the cubs why they should never talk to strangers, Sister begins to view all strangers as evil until Mama brings some common sense to the problem. "The Bears' rules for safe conduct among strangers are listed on the last pages, including a rule about the privacy of a bear's body. A good book to start awareness in young children."--"School Library Journal.

This is the best book I've seen to teach your kids about strangers. Not too scary or graphic, but definitely gets the point across! A must for a house with kids!!!!

son love it!

Good book

Good book

Love it

I purchased this book because my kiddo is super friendly with strangers. This book is awesome, first it's characters that we already know and love. It address stranger safety in a friendly way... not to scary for my little one. I absolutely love the end, when Brother Bear, the cautious one, gets into a dangerous situation, it really illustrates how easy it is to find ourselves in trouble. I highly recommend this book!

Great

Highly recommend
