# Big Nate: In The Zone

## Synopsis

The sixth Big Nate book in the New York Times bestselling series by Lincoln Peirce! Perfect for fans of the hilarious Diary of Wimpy Kid series. A laugh-out-loud must-read illustrated novel starring the one and only cartooning genius, king of detention, and Cheez Doodle connoisseur, Nate Wright. Nate's not having the best of luck . . . in fact; he's not having ANY luck. But with a little boost thanks to Chad's lucky foot, suddenly good luck is everywhere Nate turns! Nate's in the zone! But how long will it last?Includes a sneak peek to the seventh Big Nate novel!

Grade Level: 3 - 7

## Customer Reviews

Still suffering through sixth grade at P. S. 38, Nate Wright is up to his usual entertaining tricks in the sixth book of Peirce's best-selling series. He jumps on (and breaks) a beanbag chair in the library, repeatedly hits his head with an empty water bottle, and draws a steady stream of irreverent cartoons. For the first half of the book, Nate embarrasses himself in a variety of ways: getting stage fright in front of the entire school, earning a "D" in social studies, and being mocked by the school's most popular guy. But things turn around with the apparent help of his friend's good-luck charm, and Nate mends his reputation and the hurt feelings of his band's lead singer.

Peirce focuses on Nateâ™s school challenges rather than on his home life, but there is a sweet moment when Nateâ™s father confesses that he wasnâ™t a stellar sixth-grade student either. Peirceâ™s drawings are amusing but also surprisingly expressive, capturing everything from the agony of facing a teacherâ™s tantrum to the joy of a surprise free period. Grades 3-6. --Abby Nolan

Big Nate is in the zone! Nate's luck can't get any worse . . . until everything changes. All of a sudden, he can do no wrong! But why? And how long will it last?

WE LOVE BIG

NATE!!!!!!!!!!!!!!!!!!!!!!  
!!!!!!!!!!!!!! He is hysterical!!!!!!!!!!!!!! I have two sons  
that are 8 and 10 years old and a 12 year old daughter, and all three of them love  
him!!!!!!!!!!!!!!

The Big Nate series is a humorous book for children. Of course, the main character is Nate, and with his friends they have moments that tickle most children's funny bones. Using disrespectful words and actions (I'm looking at you, Nate) they manage to hold out some very hard moments. If you, as a parent, (if you are one) Want your child to be trained for no foul language (stupid, downwd, etc.) Then stay away. Though if you don't mind, the series is nice and long for entertainment purposes, and a powerful read. Keep reading the series, as Nate's got quite the story to tell you.

Actually this was bought as a gift. I have not read it but know that 3rd graders seem to love all of these.

As usual, Big Nate has impressed me for the sixth time. A story from the point of view of a 6th grader, introduces lots of characters, from scary teachers (you know who you are, Ms. Godfrey), to popular jerks (I'm talking about you Marcus), and a strange toy foot as a lucky charm. It's a great read!

This book was funny and great, you rock Lincoln Pierce! Â  Â  Â^Â  I have read all the big nate books and this was number 2 behind blasts off

This book is very humorous.

This book has a funny grab to it! I am not kidding this book made me laugh about 1000 times. And I should have known that it would be a great book because the author is Jeff Kinney! Well anyway I really recommend this book because it is super funny and tells a good story. :)
