## **Customer Reviews**

K-Gr 1-Cool dude Pete the Cat is now driving a yellow school bus and picking up kitties along his route. After covering the traditional lines about horns that go "beep, beep, beep" and wipers that go "swish, swish, swish," this book offers up a surprise conclusion. Pete picks up one lone dog and a few pages later, the pooch is seen driving the bus, while Pete the Cat croons from the rooftop, "Let's Rock Out!" The colorful yellow and blue artwork rendered in the artist's familiar pen-and-ink and watercolor will remind fans of the other Pete books, with their hero sporting that deadpan stare. If your library doesn't already have too many "Wheels on the Bus" clones, Pete the Cat's version is cool.-Blair Christolon, Prince William Public Library System, Manassas, VAÂ (c) Copyright 2013. The kitties on the bus say, "Come on, Pete! Come on, Pete!" The kitties on the bus say, "Come on, Pete! Hop on board!" Pete the Cat can't wait to drive the school bus all the way to school! Everyone's favorite cat is groovier than ever in this way- cool adaptation of the classic kids' song "The Wheels on the Bus"!

I'm 39 and I love Pete the Cat, especially this one because I drove a school bus for 10 years.

My daughter loves this book! She is autistic and is able to read along with it.

Sent as a gift. Needless to say it was a hit! They loved it.

Great entertainment

My 2 year old is freaking obsessed with Pete the Cat. She loves all these books. The more of them, the better. This one is her favorite because it involves dogs and actions. I have definitely read it 10+ times a day since we got it. She also loves the art style!

pete is 2kool!!!!!!!

My son loves all the Pete the Cat books. He likes this one because he knows the song that goes along with it. Perfect for preschoolers.

This was kind of an ingenious extension of the Pete the Cat brand - the premise of the book is that Pete the Cat enacts scenes from the song "The Wheels on the Bus." I don't know what it is about the book, whether it is the illustrations or the song that makes this book so endearing to my kids, but they sing along and point out the dog and have a great time reading this book. I definitely recommend this book, especially for Pete the Cat enthusiasts.
