Summer Fit, Sixth - Seventh Grade

Synopsis

Summer Fit Middle School Sixth - Seventh is an engaging workbook that helps students learn and grow over the summer. It contains three different foundation pieces for child success: academics, health, and ethics with the study of role models including Nelson Mandela, Abe Lincoln and Kartick Satyanarayan from Wildlife SOS. Summer Fit Activities makes learning fun with colorful illustrations, family activities, fitness logs and incentive calendars. Summer Fit is easy to use for parents, caregivers and grandparents to guide and follow along as their child's progresses throughout the summer. Daily lessons in academics and fitness are designed with a self-motivating incentive contract calendar program to help encourage guide and reward children to complete their work. Summer Fit Activities uses an integrated approach to summer learning that includes all basic skills and focuses on non-cognitive and cognitive development.

Active Planet Kids (APK) is an Active Lifestyle and Educational companyÂ that focuses on both cognitive andÂ non-cognitive development toÂ createÂ whole child learning experiences. APK products and resourcesÂ helpÂ parents and children build healthy lifestyles, leadership and social responsibilityÂ as part of theirÂ overall academic success.

This is the 5th or 6th summer activity book I have purchased in the last ten years, and it is by far the best one. In addition to the expected academic exercises for reading, writing and math, the book also includes daily and weekly challenges for a well-rounded summer. For example, users are guided to create exercise goals with a broad list of suggestions from which to select that go well beyond running for a specified period of time or swimming xx laps. Other activities touch on nutrition, preparing meals and creativity in art and music. My rising 6th grade daughter loves this book so much she stays up late just to do a few more pages.

MY SON HAS BEEN DOING PAGES EVERY DAY ALL SUMMER ITS GREAT
