Customer Reviews

This is a decent piano/vocal version of Chris Tomlin's "Love Ran Red" album. Each song is singable (for a high tenor) and in the original keys. Only 4 stars because this version has the melody built into the piano accompaniment. Maybe you are looking for that, but I wasn't...Waterfalls, Jesus Loves Me, and At the Cross (Love Ran Red) are the best tunes here...

Great songs by a great singer. I think it is his best yet.

Very helpful music book for the whole worship band. Piano music and guitar charts and of course notes for the few singers who can sight read!

wonderful composer. Book in great shape

Love singing along to my favorite songs as I play on the piano. The sheet music is pretty easy.
