The Toddler's Songbook

Synopsis

This illustrated songbook and accompanying audio CD are an excellent resource for parents, grandparents, Sunday school teachers, and anyone who loves children and music. Children learn in many ways, and one of the most enjoyable and memorable is through song. Accomplished musician Ellen Banks Elwell and best-selling illustrator Caron Turk have teamed up to create a songbook and CD that will have toddlers singing, clapping, and learning important truths about God. The Toddler's Songbook features more than fifteen children's songs, each introduced by a related story or prayer and two illustrations. The accompanying CD includes each song, recorded in three ways: with a children's choir, with an instrument, and with an adult soloist, all accompanied by piano. Song list: Rise and Shine Praise Him, Praise Him Jesus Loves Me If You're Happy He's Got the Whole World in His Hands Mozart's Lullaby Hallelujah, Praise the Lord Old MacDonald God Is so Good Who Did? Zacchaeus Mary Had a Baby Twinkle, Twinkle, Little Star Oh, Be Careful Little David, Play on Your Harp Oh, How Lovely Is the Evening All Through the Night

Left page talks about the bible story a little, right side are the lyrics. Pictures are cute and there are a lot of songs. Rise and shine, praise him, Jesus loves me, if you're happy, he's got the whole world in his hands, Mozart's lullaby, hallelujah, old McDonald, God is so good, who did swallow jonah, zacchaeus, Mary had a baby, twinkle twinkle, oh be careful, little David play on your harp, oh how lovely is the evening, and all through the night.

I purchased this book for my 2 yr. old granddaughter. She loves to hear the songs sung to her and can now sing along. Each song has a colorful page, a rhyme, and the words to the song. We did not know all the songs but many were familiar, so we have not yet listened to the CD. I highly recommend this very child friendly book.

Recommended! Great songs. It's definitely what I was looking for as we just had our first child and want to bring them up in the name of the Lord.

Great songs! Greatest songs for children our gran kids love it and sing all the songs and love the pictures great teaching tool

I believe books and music like this -- without hype and overstimulation -- are the best hope we have for combating children who are glued to screens. Parents, grandparents. Read this book out loud, play this CD, and sing along. Those young children you love so much will be drawn in, their hearts will be touched, and their lives will unfold with a wee bit more joy and wisdom.
