The Legend Of Zelda For Easy Piano: Easy Piano Solos

Synopsis

After decades of anticipation, Alfred is proud to release the officially licensed, collectible sheet music companion folios to The Legend of Zelda(tm) video game series. The 33 arrangements in this Easy Piano edition contain the instantly recognizable melodies beloved by generations of gamers around the globe. From Koji Kondo's iconic "The Legend of Zelda(tm) Main Theme" to The Legend of Zelda(tm): Spirit Tracks themes, the dozens of pieces in this book represent two and a half decades of Nintendo(R) video game favorites. Adding to the fun, graphics from the corresponding games grace each page of the sheet music. Impress friends, family, and audiences of all ages by playing from this magnificent collection, which makes a great gift for every pianist. My son is a huge Zelda fan and has been taking piano lessons for a short time. He needed to come up with a song for his first piano recital and we found this music. It was a little advanced for him, but with practice, he was able to play the opening Zelda theme for one of his selections at his recital and he played it perfectly. He loves all the songs and I'm sure will use this music for some time!

Lots of great songs. I have no complaints about the selection of the songs. I've been playing for six months and most of these songs are within my ability range but there are some that are challenging. I would recommend this to anyone who has been playing for six months to one year. If you've been playing longer, you might want to pick up the regular version.

Got this for my wife. she was taking a beginner piano class in college. By the end of 1 semester (4 months) she could play a few songs pretty well out of this. Such a fun book with great music!

Great book to motivate kids with piano lessons! They love playing the music from their favorite video game and it is great that the music is simplified to their level! Good product!

Our piano teacher was highly impressed with the sophistication and arrangements of these pieces. My 10 year old is really enjoying learning from this book and is eager to practice now.

My fiancé loves the Legend of Zelda series and was thrilled as I tried my best to surprise him with a Zelda tune. The music reads easily and any level of pianist can get the hang of these songs within a couple practices.

Great transposition! I have all of the piano books. They have great sheet music. Although they aren't EASY piano, this has my favorite songs.

I got this for my piano lessons and I love it and it is challenging enough for me to learn but not too hard where I can't learn it at all! It is right at my level and I love that!
