## **Customer Reviews**

Book by

Thanks

Purchased this for the CCS exam as my course did not cover anything of the health records nature. It's a relatively thick book, thicker than I was led to believe by co-instructor. 4 week crash course so wish me luck! Book seems pretty straight-forward.

good book

Great information

Very informative

Great information regarding documentation in medical health records. Also great information regarding healthcare.

I was very pleased. The book looked new.

as expected
