Jane O'Connor is an editor at a major publishing house who has written more than seventy books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. Robin Preiss Glasser actually wore tiaras and tutus when she danced with the Pennsylvania Ballet. Now she happily spends her days in jeans, drawing. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California.

Bought for grand-daughter who loves books (and has a couple Fancy Nancy ones). She's only 2-1/2 but off to a great start in appreciating books and story time. She'll be reading for herself in a few years but for now Mama reads to her.

My 3 year old daughter likes this story, and I love the idea of teaching her new words. However, I think "reading level 1" is a bit misleading. My daughter knows her phonetics, and I wanted to get her a book to learn her first simple short words. This book wasn't it. This book has words like "identical." We ended up buying the Bob Books instead, which is the kind of book I was originally looking for. My daughter still likes it when I read her this book, and in a couple years she'll eventually get to the point where she can read this herself I guess.

Fancy Nancy is a favorite of one of my grandchildren! So silly!

Great story about a kids' clothing exchange at school.

Blah. My daughter didn't like. Cute pics though

Such a cute book and one that my 4 year old relates too. Good life lessons in a way children understand.

My granddaughter loved this book a cute story

Cute book! Quick ship! Thanks!
