Contemporary Auditing

Synopsis

Use real cases to illustrate the work environment and professional responsibilities of auditors and examine factors and circumstances that often lead to problem audits and failures. Knapp's CONTEMPORARY AUDITING, 11E has updated its most popular cases, including Enron Corporation, The Boeing Company, Golden Bear Golf, Kaset Thai Sugar Company, Lehman Brothers, Leigh Ann Walker, Madoff Securities, The Trolley Dodgers, Walmart de Mexico, and ZZZZ Best Company. Fifteen new cases include a comprehensive Le-Nature's, Inc. case and Bankrate, Overstock.com, and Parker-Halsey cases showing high-risk audits. Avon and Saks Fifth Avenue cases highlight internal control while two additional cases emphasize ethics and two cases focus on professional roles. Ernst & Young, Internet Infamy, and Texas Drug Warehouse cases address professional issues and an international case reviews Olympus. The book integrates new professional auditing and ethical standards with an updated Instructor's Manual.

Michael Knapp has taught undergraduate and graduate auditing courses for more than thirty years. He has developed numerous online CPE courses that focus on a wide range of auditing topics, including the COSO internal control framework, the most common types of accounting frauds, and the impact cognitive biases have on the quality of professional audit services. Professor Knapp has also testified in several major litigation cases involving accounting and auditing issues. For three years, he served as a consultant with the FBI on a major white collar criminal case. Recently, he accepted an invitation from the FBI to speak at a national conference attended by more than 500 FBI agents and other federal law enforcement officers. His honors at the University of Oklahoma

include, among many others, the Harold E. Hackler Outstanding MBA Professor (determined by a vote of OU's MBA students), the Outstanding Oklahoma Accounting Educator (awarded by the Oklahoma Society of CPAs), the Delta Sigma Pi Professor of the Year (awarded by the OU undergraduate business students' honor society), the David Ross Boyd Professorship (a university-wide designation for teaching excellence awarded to one professor annually), and the McLaughlin Chair in Business Ethics.
