Central City (WV) (Images Of America)

Synopsis

In 1893, a few businessmen purchased some land just west of Huntington, West Virginia, to develop a new community. Eventually, Central Cityâ •as it was calledâ •bustled with industry, thriving on the five major factories that became the nucleus of the small city. Because of the booming job market, the community grew: families settled; homes, schools, and churches were built; and a government was established. When Central City was annexed into Huntington in 1909, the old industrial town all but disappeared, losing its own identity and rich history. Luckily, Central Cityâ ™s heritage was saved in the late 1980s, when a reunion for early families was organized and funds were allocated by the City of Huntington for the communityâ ™s rebirth. Today Old Central City is touted as the Antique Capital of West Virginia and hosts Old Central City Days annually to commemorate the vibrant heritage of this almost-lost West Virginia town.

Book Information

Paperback: 128 pages

Publisher: Arcadia Publishing (April 17, 2006)

Language: English

ISBN-10: 0738542423

ISBN-13: 978-0738542423

Product Dimensions: 6.5 x 0.3 x 9.2 inches

Customer Reviews

Lola Roush Miller came to Huntington as a student at Marshall College (now Marshall University). She received her bachelorâ ™s and masterâ ™s degrees in library science and education from Marshall. She met her husband while both were students, and together they raised four children. In June 1982, Lola became a branch manager at the West Huntington Public Library, Central City Branch, where she became a student of Central City history. She retired in 2004 with the goal of writing this book.

As a child, I always enjoyed going on vacation to the East Coast and passing through so many

small towns in our oldest states. You can see courthouses, factories, churches, schools, and other buildings that, despite the business or indifference of those who pass through them, have a story to tell. Lola Miller has captured those stories. The Old Central City portion of Huntington, WV was in danger of being lost until this work appeared and ensured the preservation of this national treasure. It chronicles the city with a personal perspective through hundreds of photographs with insightful commentary. I would recommend this book to anyone who wants to spend an afternoon escaping to an old Virginia town.
