Creative Writing Ideas & Journal Prompts For Musicians & Song Writers

Synopsis

Musicians and song writers seek inspiration in all parts of life in order to write meaningful music and lyrics. Journaling is one way to do that. Knowing what type of music you like, your favorite artists, what inspires you, etc. helps to make your music interesting and uniqueâ€œ because it comes from your perspective and your point of view. These journal prompts are designed to look at particular life experiences and musical tastes to inspire your creative writing ability. You can use them to help you write lyrics or music or for your personal journal. Even if you are a music lover but do not write music, you will enjoy these prompts.

Customer Reviews

I feel ripped off! The concept of the book is good. Using a journal as a tool to create better lyrics is an excellent road to travel. This book does give some journal prompts...but that's basically it. Where are the creative writing ideas to go along with the prompts? When I read the title and description I assumed there would be a prompt and then an idea to use that prompt to better my writing...nothing.

How about talking about the process of crafting lyrics from what you've written? How about something? I have wasted my money...don't waste yours.
