# Double Down (The Men Of The Sisterhood)

## **Synopsis**

All three of the Men of the Sisterhood novellas together for the first time! For the first time the menfolk are stepping out of the pages of #1 New York Times bestselling author Fern Michaels' beloved Sisterhood series and into the spotlight. After years of standing by their women, the Sisterhood's significant others have also become loyal friends. And now Jack Emery, Nikki's husband, has enlisted Ted, Joe, Jay, Bert, Dennis, and Abner to form a top-secret organization known as BOLO Consultants. Jack has two missions in mind. The first: offering some behind-the-scenes help to Nikki's law firm as they take on the all-powerful Andover Pharmaceuticals. Andover's anti-leukemia drug causes terrible side effects in young patients, but a class-action suit seems doomed to fail. BOLO Consultants has a prescription to cure that. Meanwhile, Virginia's lieutenant governor has a sideline as a slum landlord, and his impoverished tenants are suffering. Tyler Sandford believes his status puts him above the law. But when the Sisterhood and their allies decide to get involved, no one is beyond the reach of true justice. |

Very good!!! Wasn't disappointed. Love this series.

I love this series. I hope she continues with it

I have become totally hooked on the Sisterhood Series and now on the Men of the Sisterhood. I can't wait to see how justice is going to be served. A plus is the personal side of the characters. You can't help but want to keep reading until you find out what is happening next. Fern Michaels does a wonderful job of keeping you in suspense, dealing with couples and their problems and successes, and wondering what the punishment is going to be this time. I love this series too.

The premise of the 3 novellas is good, but too many pages were wasted at the beginning. Once the story finally got going, it became enjoyable. The last 2 novellas got shorter and much more fast paced and interesting. I would read it again without all the extra and enjoy it. Hopefully the full book will be much better because the characters are well known.
