Lucky To Live In Indiana (Arcadia Kids)

Synopsis

What do you get when you cross a read-aloud storybook with a write-in memory book? Magic moments between kids and adults! The Lucky to Live in Indiana book is the perfect tool to jump-start meaningful conversations between generations. Read-aloud rhymes set up interesting topics. Then write-in prompts invite children to record their own views to create a personal Hoosier State keepsake. The real gift lies in the interactive nature of the book as it offers the perfect opportunity for adults to share their own stories and wisdom about such issues as friendship, community, team spirit, and other topics that help develop a child's social and emotional skills. Customized Indiana content--from favorite local cuisine (Hoosier pie) to interesting attractions (Indiana Dunes State Park)--provides an even more personalized experience.

Customer Reviews

"..the real magic is a refreshing use of art • whether it's the eye-grabbing photos of "The Wise Animal Handbook" or the clever illustrations of "Lucky to Live in" • coupled with Jerome's "you haven't read this before" poetry aimed at the young crowd. That both books are "Read Together, Do Together" projects set in a sturdy large-format hardcover binding means that the \$16.99 cover (steeply discounted by several booksellers) is worth the price

of admission. These are books both you and your 4-year-old will treasure two decades hence."

Super cool interactive book. My daughter enjoyed filling in the blanks to create her personal story. Makes a wonderful keepsake for your child to have to always remember their Hoosier roots!
