Fern Michaels Sisterhood CD Collection 3: Free Fall, Hide And Seek, Hokus Pokus (Sisterhood Series)

Synopsis

Free Fall The loyal friends who make up the Sisterhood have gathered at Myra Rutledge's beautiful Virginia home for the first time in a year. For one of their number, it's an evening filled with anticipation. It will finally be time to tell her story—and for the Sisterhood to help plan her revenge. Yoko Akia's mother was only fifteen when a wealthy man swept her off her feet with promises of love. Instead, he filled her brief life with horror and misery. Their target is none other than America's favorite movie star.

Hide and Seek The Sisterhood's last assignment almost landed them in jail. Now the women are fugitives with a bounty on their heads, but they're not planning on hiding out for long. Mitch Riley, the ruthless assistant director of the FBI, intends to frame Cornelia "Nellie" Easter, the judge who helped the Sisterhood evade prison, and their lawyer, Lizzie Fox, in order to save his own career. He's created a special task force to hunt the Sisters down. He's about to discover that he's no match for seven formidable women with an unbreakable bond.

Hokus Pokus Supreme Court Chief Justice Pearl Barnes faces blackmail for her own illegal brand of justice. Now the Sisterhood must not only sneak back into the United States, but also remain undetected as they investigate. But how do you make seven women disappear? With a nosy reporter on the brink of exposing them, the clock is ticking as the Sisterhood tries to create a little magic—and save the day.

Customer Reviews

Fern Michaels is the New York Times and USA Today bestselling author of the Sisterhood and

Godmothers series, along with dozens of other novels and novellas. There are over 75 million copies of her books in print. Fern Michaels has built and funded several large day-care centers in her hometown, and has outfitted police dogs across the country with special bulletproof vests. Visit her website at fernmichaels.com.

The writing is so juvenile in these books that I'm not even sure if teens would like them. The first three books in this series were so painfully repetitive you could anticipate the writers next sentence before the narrator spoke it. These three, as with books 3-6, were far less repetitive but still painful at times. Still the narrator's character voices were too comical for words. I often felt like she'd watched too many old black and white "copper" movies and mimicked their voices...was waiting for her to yell, "You dirty rat!". That being said, the concept of a team of women vigilantes was good and, as much as I hate to admit it, I ended up having to listen to all of the books. Fortunately, by the time I got to the second set of three books, they were shorter and a lot less repetitive. If you're looking for a guilty pleasure, these books might fit the bill. Despite the fact that they are not literary brilliance, they ended up being a fun read in the end.

The first collection was completed and I enjoyed the extra detail and added character development. However, with the demand for the books to get onto CD, I understand that it saves a lot of time, not only reading, but also producing, to get them to market. I would have been willing to pay more for the unabridged version, but they probably have a better profit margin getting them out more quickly so I understand.

Excellent series. Highly recommend

Bought this as a gift for my hubby. He loves the way the sisterhood gets even with the men who hurt them. Great price and delivered on time.

Great story.

Delightful writer. :) :) :) Always interesting. :) :) :)

Didn't realize they were the abridged version when I brought the collection. Otherwise very good story

Had to buy this, and complete my collection. Have the books in paperback and audio cds too. Have even got my husband and teenage son listening to them during a cross country trip and they are hooked.
