Customer Reviews

This Early I Can Read book stars a mixed-up moose, with difficulties differentiating among his animal colleagues. Ages 3-7. Copyright 1991 Reed Business Information, Inc.

PreSchool-Grade 2-- Fans of Morris the Moose will love this new addition to the popular books which feature a lovable four-legged creature who acts like a person. In this story Morris encounters what he considers to be a funny-looking moose. Cow insists that she is a cow but since she has "four legs and a tail and things on her head," Morris concludes that she is a moose like him. Both Morris and the cow encounter similar difficulty when they attempt to have a deer arbitrate their dispute. Finally when the three of them chance to take a drink of water from a stream, Morris and the deer realize that they have been mistaken. Wanting the last word, Morris brings a concluding bit of humor to the tale when he declares that he did not make a mistake, "I made a MOOSEtake!" Wiseman's illustrations are in a style similar to those in the other "Morris" titles. The images are

straightforward and simple with few details. Browns and yellows dominate the pictures. Based on a 1959 book, this edition has been re-illustrated and adapted to the series format. Those wishing for quality titles for very young readers will want it. --Sharron McElmeel, Cedar Rapids Community Schools, IowaCopyright 1989 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Great book for a 1st-2nd grader!

Cute book

Such a throwback for me! I bought as a gift for my nephew for Christmas, but when it arrived, I ending up keep for myself. I ordered him a different one to replace it and nobody knows any different!

My daughter loves this book. My mom bought me this book like 21 years ago when I was in 1st or 2nd grade.

Never goes out of style. My 33 year old son read it, and bought it for a six year old recently who also loved it. Great early reader.

My kids love this book and I often hear referenced to Morris throughout the week after reading it.

My son liked it the first time, but since then he hasn't wanted to look at it again.

good children's book
