This my go to book for lots of songs I like written so I can play them.Recommend this.

Excellent book to purchase for finger picking.

Very good book and the songs are challenging, yet with practice sound very good. Although many of the songs are unfamiliar you can find many of them on the internet to listen to.

The songs are sufficently familiar; and the music is well marked so that one can easily play them on your guitar.

i just planned to use this to kinda teach myself fingerpicking but instead i ended up learning tears in heaven the first night, super easy and sounds great when played
