## **Customer Reviews**

Hallelujah by Leonard Cohen arranged for piano, vocal and guitar Sheet music.

It might not be the original Cohen version but then again there are hundreds of versions. Very happy with the music, especially for the price I paid. Excellent value and purchase, great seller, would highly recommend this to anyone.

Given as a gift. They loved it!

Nice arrangement!

I really wish they would show the first couple of staves. This was not the version I was looking for.

Loved the song....love this arrangement

Exactly what we wanted; arrived on time

The sheet music arrived in perfect condition and faster than stated. I, like others here, don't

recognize these lyrics, but there are many versions. Easy enough to play.

Nice arrangement, even though a bit elementary.
