Customer Reviews

I enjoyed this book considering I knew nothing about Pilates. It gave me a great understanding of the beginning and basics of Pilates. It illustrates multiple exercises and gives understanding as to what these exercises do for you. I recommend this book to anyone who needs to learn the basic foundation of Pilates.

Good book, it is For anyone that wants to apply quick effective workouts AT Home , very useful

This is a super nice book. Really helpful guide especially for the beginners to Pilates. I'm now thinking to begin it since I've been wanting to have a healthy lifestyle and a fit body.

Good book for someone who wants to have an understanding of Pilates exercise. Interesting and helpful information for the Pilates enthusiast. Recommended Read.

I've been hearing a lot about Pilates & this book gave me a deeper understanding on what it is about by giving details and instructions on how to apply it. I now appreciate the benefits gained from doing Pilates & will definitely start as soon as possible.

What great book to start doing Pilates. I love how the workouts are under 20 min, this is exactly what I was looking for.

Great beginner's guide to Pilates! This book is really good at teaching the ins and outs of Pilate exercises.

This book is a little short and it does not very many pictures to visualise and demonstrate the pilate s exercises.
