Customer Reviews

Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

It was a gift for my niece, whom's currently studying Piano lessons, her mom said the book definitely helps.

good. Quality ok

i am not used to writting out notes so this greatly helps! i am now just learning the tenor clef and thumb positions so those are new that if write them ojt it will stick to my brain!

I loved this item for, in my case, learning songs. I write a portion of the notes on the paper, then practice that particular section of the song until I have it learned well. Shipment was fine. I will keep this seller in mind for other similar items.

Lines good size

Recommended by the piano teacher as part of my daughter's theory for her lessons.

It literally says \$1.99 on the back. Check the picture.

Good
