Lucy Dawson (1870-1954) was a British illustrator best known for her paintings and etchings of sporting dogs and other breeds. She also created art for playing cards, cigarette cards, and numerous postcard series. She accepted commissions by individuals, most notably the Royal Family. She painted the Queen Mother's favorite corgi, Dookie, whose portrait was later reproduced as a Christmas card. She published several dog-related titles, including *Dogs As I See Them* (1936), *Dogs Rough and Smooth* (1937), *The Runaways* (1938), and *Lucy Dawson's Dog Book* (1939). Ann Patchett is the author of six novels and three books of nonfiction. She has won many prizes, including Britain's Orange Prize, the PEN/Faulkner Prize, and the Book Sense Book of the Year. Her work has been translated into more than thirty languages. She lives in Nashville, Tennessee, where she is the co-owner of Parnassus Books.

I have the original of this Lucy Dawson book, but it's so fragile that I dare not just sit down, open it, and enjoy it. With this copy, though, I can! I love it, and the price can't be beat!!

This is a beautiful book of illustrations. I am tempted to cut some out to frame.

A lovely book. The drawings are memorable. So glad the book,has been reissued.

It's a wonderfully, sweet book for all dog lovers.

Gift for elderly lady and she loved it.

This book is a collection of the best dog art I have come across in 25 years. A few of the drawing evoke the sense " have seen that sketch before" but where.

Lovely art book. Ann Patchett's forward adds to the enjoyment of Lucy Dawson's homage to dogs.

Just a great volume with well-executed and meaningful drawings.
