Customer Reviews

This book comprehensively explains how to work healthy and enjoyably at the office or at home. I liked the practical advice, that I found here, I tried to use these tips on my work during several days, and already can feel the results. Great book to read if you suffer from uncomfortable work at the office.

Definitely, this is the book I was looking for. It's worthy to read if you have sedentary job and want to change its unhealthy effects. Book contains precious information about exercises and healthy eating habits. So now I have decent necessary knowledge to transform my hardworking days into healthier ones. Thanks to writer!

I liked that this book describes in details which things we should change to make our office life more productive and less unhealthy. It tells how to better organised the work space and to improve the productivity in such way. The exercises from the book are effective and don't take much time, which is important at the office. I like the way I work now after applying information from this book.
