Customer Reviews

Follow the author's advice and make the changes you need to lead a more fruitful life. Her books are easy to read, with helpful summaries of key points, exercises, examples and inspiring and motivating quotes. You can't go wrong here.

I've read several of the authors books and have found them to be thought-provoking and very helpful when you are in a job you don't like, or looking for a new one.

I love that the Author has turned her career rescue books into a box set. If you are looking for a change in your personal and professional life then buy this series now. At less than a dollar a book it is an AMAZING value. I highly recommend adding this box set to your collection.
