Book by Edrinn, Roger

Awesome book with great, vivid pictures. Each page is more like a blown up photograph, than a page from a book, for how clear, glossy, and thick these pages are.

So helpful.

This photographic review of Colorado's official Fourteeners is well worth hunting for. I'm sorry to see it out of print. I still use my copy to learn more about the peaks as I fulfill my quest to stand on Colorado's highest points. Another related book available through .com is TJ Burr's "Rocky Mountain Adventure Collection". In his book, he will take you on several Colorado climbs, including the highest - Mt. Elbert, and the classic Front Range challenge - Longs Peak.
