Customer Reviews

The illustrations are darling and captivating! The activities are engaging! I absolutely believe in investing in anything that helps build my girls' confidence, and books such as this one certainly fall in that category! Great book, great illustrations! Can't wait to see more!

Great selection of quizzes for getting a clearer picture of where your teen might go in the future. Very fun for the car or a sleepover, or for any kiddo that likes learning more about themselves.

User friendly. Clear and inviting to read.

Good open ideas for my girls

Cute book! My daughter loves taking quizzes.

Not much in here, a lot of pictures though.
