As if William Shakespeare's Romeo & Juliet wasn't enough to guarantee Leonardo's star status in Hollywood, he signed on as one of the stars of Marvin's Room. Based on the successful play by

Scott McPherson, this film gave Leonardo a chance to work with Meryl Streep, Diane Keaton, and Robert De Niro. In early 1996, Leonardo decided to do something he'd never done before. He accepted a role in a movie with a big budget and even bigger special effects. He agreed to join the cast of James Cameron's sweeping epic Titanic. With a budget that reached \$200 million, the film is the most expensive ever made. Leonardo was excited about being part of Titanic. He'd "never done anything like this before," he explains. "I never planned to do a movie like this, but I agreed to do it, and I'm glad I did. It was an amazing experience." Once again he traveled to Mexico, where Titanic was shot. "We filmed some of it on Rosarito Beach," he says. "After living in Mexico for three months with Romeo & Juliet and six months with Titanic, I've spent nearly one year of my life there." Titanic revolves around two young lovers, third-class passenger Jack Dawson (Leonardo) and first-class passenger Rose DeWitt Bukater (Kate Winslet), an aristocrat. Leonardo's riveting performance earned him rave reviews and a Golden Globe nomination for Best Dramatic Actor.Â Â Â Â

an interesting book where you can find lots of info, quotes and picks of leonardo dicaprio! interesting to read and look! i had a good time reading it, hope you'll too!

I have bought it I think last week because it was sold out before. I wasn't that enthusiastic about it when I have read and view it. But it's not really bad, if you're a first time Leo fan, but I'm not. The book was quite expensive here, than you bought it in U.S. But it was good for a purpose though, I scanned almost all of Leo's pictures there and posted it on my website. Grace Catalano put Leo in such simple words which easily describes him.

I have read many of the Leonardo DiCaprio books out and as nice as the pictures in this book are, I was disappointed in the lack of information. This book is good but really short. I liked it but not as much as the other Leonardo DiCaprio books I had read.

This book is perfect for fans who are beginning to feel the Leo Mania. It contains basic info on Leo, nothing really new. But the pictures are wonderful and a delight to see since each page is full of color. The book itself is fairly large, and glossy.

Leo is so cute that I want all his new and old books. I have the book Titanic it's a very good book that I will stop looking at it. I hope Leo gets this note. From: Melissa Pearl Greenstein.

He is the best actor in the world and I'm not saying that I am obsessed with him, I just think he's very good looking and has a lot of talent.

WHY DO YOU LIKE HIM JUST FOR HIS LOOKS AND NOT FOR HIS ACTING.I AM A GIRL AND I LIKE LEO FOR HIS ACTING.

I think Leo is so cute. I stare at his posters so long my eyes start to sting.
