Book by Morgan, Barbara

love!!

My granddaughter who's in modern dance absolutely loved this book, and so did her parents. So glad I found it. Would definitely use this seller again.

Very Happy - Other than someone's name on the inside cover, the book was in perfect shape. I'd order from this website again.

Book arrived in timely fashion and is in terrific condition. Would never hesitate to order used books from this vendor.

Barbara Morgan, did a wonderful work with Martha Graham, she captured the essence of the movement, she took so many pictures of the early works, such as Frontier, Lamentation, Primitive Mysteries, that you are able to feel what the piece is about, also the size of the pictures in the book, gives even more credits to the Author. Graham Classics, Satyric Festival Song, and Deep Song,

have been reconstructed with the help of Barbara Morgan pictures, in the late 80's, even Martha agreed that the actual versions of the pieces are close to what she did... This is a book to have in your Library if you are a Friend of the Art, enjoy your new book.
