My five year old son is obsessed with Fly Guy. He also loves the old nursery rhyme that this book is modeled after. I was tickled to see this book for a good price for my kindle. Now we can have a few digital books for when we travel and don't want to carry around bedtime stories.

My son loves Fly Guy books. They are excellent for beginner readers and keep them entertained

and engaged in reading. This is the only one he didn't own, so we purchased it and were not disappointed. He read it three times the day we got it in the mail. I highly recommend this book and the other Fly Guy books for beginner readers!

My son is in 1st grade and loves these books. He has struggled with wanting to read so finding these books was amazing. He reads them to his little sister or on his own or to me. The pictures are so bright and fun and the reading is fun too.

It's a great book for kids who love the fly guy series and remember the story of There was an Old Lady who Swallowed a Fly.

My 7 year old loves the Fly Guy books. This one is the Fly Guy version of "An Old Lady Swallowed a Fly."
