Sea Glass Hearts

Synopsis

Josie Iselin, the author of Abrams's™ popular Heart Stones, turns to sea glass hearts for a companion volume that promises to be just as appealing. Beachcombers the world over treasure sea glass—the shards of broken glass that are tumbled by the waves into smooth, pebblelike forms. They know which colors are common (green and brown) and which are unusual (black, yellow, red, and, especially, orange) and they can often identify the age and origin of a specimen. On rare occasions, sea glass takes the shape of a heart, the universal symbol of love. In Sea Glass Hearts, Iselin assembles an inspiring collection of these precious objects that are free for the taking—if you are lucky enough to find them!

Josie Iselin is the author of Abrams's™ Beach Stones, Leaves & Pods, Seashells, and Heart Stones, as well as Beach: A Book of Treasure. An artist who uses a flatbed scanner to create sculptural two-dimensional designs with three-dimensional objects, Iselin is especially drawn to the ocean shore. Before becoming a bookmaker, she was a photographer and installation artist exhibiting throughout the Bay Area and teaching at the California College of Arts and Crafts (CCA). She lives in San Francisco.

Bought 3 of them for friends. I live at the beach and we hunt for sea glass hearts daily! This is a great coffee table book for us!

I bought this book after finding sea glass on the island of Bermuda last summer. I'm obsessed with the hobby now, and the pictures in this book take me back to those awesome hours of sifting through the sand to find these glass treasures. I'm buying another copy for my Mom for this Mother's Day, because it was a wonderful experience we were fortunate enough to share together. Thank you for such awe-inspiring photographs, Josie! Sea Glass Hearts

I've given this book as a gift and have, of course, my own copy. Having collected "heart" rocks for years and brought them home as treasures, it was delightful to see her presentation! Beautiful book!

Another truly gorgeous book from Josie for those of us in love with the beach and all its gifts. It makes me long for the summer and warm sand under my feet, and the possibility of finding treasures. I'm inspired all over again with her poetry of words and valentine of jewels!

my wife loved it

this book is absolute huge for a small book- the photography is amazing and the stones breathtaking and it inspires me to search for the heart shaped glass when I go to the beach

Bought for a beach loving friend. She loved it.

Beautiful!
