Great book and well composed.

Simply amazing score!!

This book includes almost all of the songs in the musical and the piano reduction is very true to the original score. I love singing and playing these pieces. I will say that the piano parts are fairly advanced to play, but not impossible.

Love this show!

This score is fantastic! It's heads & above most new musical scores. You can see why it won a Tony Award for Best Musical! Excellent!

The music from this show is so touching!Hearing it played live is even better.

Excellent score, full piano accompaniment included. Highly recommended for any fellow theatre lovers!

Could you expect anything less than wonderful from this musical?
