Night Of The Veggie Monster

Synopsis

When a single pea touches the lips of this determined vegetable hater, our hero doesn't cry, whine, or refuse to swallow. He turns into a VEGGIE MONSTER! Ready to smash the chairs! Ready to tip the table! Ready to . . . GULP . . . down his peas? With inventive mixed-media illustrations and a short, snappy text that combines a child's dinnertime drama with a hilarious parents'-eye-view, George McClements has created a wry and funny story that just might inspire a few veggie monsters out there to give peas a chance.

GEORGE McCLEMENTS is a director for character art for Walt Disney Consumer Products. He has worked on developing products for such films as Dinosaur, Flubber, and Inspector Gadget. He is also the author and illustrator of The Last Badge and Jake Gander: Storyville Detective. He lives in Glendale, California with his wife and two sons.

Awesome small moment mentor text! My son and I loved it! He understood small moments so much better and was able to write his own small moment piece.

I love reading books with multiple voices for me to embody. This book was so much fun to perform

for my First Graders. It is part of the Lucy Calkins new Reading Program. If I had known the program provided the books on the side, I would have waited. They came to my school separately. Otherwise, sweet story!

You have to be a true reader for children, which I am to get this one across, it is a fun book/

perfect example of a small moment to share with first graders!

This book has been well received in my mom's second grade classroom - amazing what mom's who are teachers want for their birthdays!

This book was a great example of a small moment! I read it many times to my second grade class...and they never tired of it!

We read this to students at the school I work in. adorable story! We use it to teach students how to stretch out a small moment and write a story about it. I bought a copy for my nephew!

Item as described, would order again.
