## Customer Reviews

Books was in good condition. Had to send back because was too technical to understand.Thanks

Accurately described pleased with delivery ahead of expected time for a gift . I certainly would recommend this seller Wished I could buy an aged / new activator tool for surprise gift for a family member studying Chiropractic (ex Vet) now allergic to dogs and cats) regardless of price to go with the book

Dr.Fuhr has compiled one of, if not the most, comprehensive and professionally written text in the

field of Chiropractic. With the support of clinical data, Activator Methods succeeds in producing a text to promulgate it's clinically substantiated Chiropractic Technique.

I find myself using this book quite often as a reference. Well written and easy to use. Good textbook.
