Customer Reviews

OK, but basically a promo to buy the authors miracle soap which is actually pretty good. Beware that if you buy the soap and get the book for free if you go that route - so I feel a bit ripped off. Also the soap should be offered in smaller quantities. I no longer need it and have 1/2 of it left.

Not a cure but had suggestions that may be of benefit to some, most people are desperate and not able to travel by the time they get to this point. But at least there is awareness of the disease being provided.

Lack of useful information, poorly written

Michael Chapala is a thief! He stold 1,000.00 from me. Don't believe anything he says.

Informative!
