Customer Reviews

This is a good start for those who think accounting is not an easy. After read this book you will find that accounting is very interesting topic. The author made it easy with easy techniques and principles. After read this book I am become expert to do my own bookkeeping, thank you author for such easy book.

Hmm, what can I say about this book. I'm a beginner and this book in plain language describes all the basics of accountancy, Through the book I began to understand how to do the books and and what are the taxes. Thnx for the book!

Good Book. Very simple and straightforward and is a good overview of bookkeeping for anyone looking to refresh.

This is a quick read book giving a quick overview of accounting. It was nice to read but will need to read more to really learn.
