Blue is having a snack party. All her friends are bringing snacks. We discover what each is by lifting flaps that show the ingredients and recipe with the finished dish underneath. These are healthy snacks made by Steve, Mr. Salt and Mrs. Pepper, Mailbox, Ticky Tock, Shovel & Pail, and Magenta. In the meantime we help Steve solve Blue's Clues to discover what snack Blue will bring. A final picture of everyone with their snacks suggests the upcoming party will be festive indeed. A nice addition to the Blue's books.

This was a gift for a 2 year old who has recently discovered Blue's Clues on TV. He loved it.

I got a number of these books for my 4-year old nephew for his birthday, and he has absolutely loved reading them.

I purchased this book for my son (almost 4) and he loves it. He asks me to read this every night and

also requested that I prepare the snacks from the book (they're actually healthy snacks and could help to influence picky eaters). This was a very good choice.

My son is 2 1/2 and love Blues Clues, so this book was a win. It is interactive: lifts & flaps, and searches for "blues clues." Very colorful and exciting for a young child.
