# Franklin's Halloween (Classic Franklin Stories)

## Synopsis

Itâ™s Halloween in Woodland in this classic storybook featuring Franklin the turtle, the inspiration for the beloved TV show Franklin and Friends! Franklin and his pals are excited for the Halloween party. But things get scary when everyoneâ™s favorite turtle suspects there might be an uninvited guest: a real ghost! This spooky story is one of the original titles in the Franklin childrenâ™s book series, which features an adventurous turtle and his animal friends. Beloved by kids around the world, the series has been translated into over thirty-five languages and adapted into an animated television series airing on Nick Jr. This is a fixed-format ebook, which preserves the design and layout of the original print book.

## Customer Reviews

A fun Halloween classic in my house. My nine year-old girl still enjoys when I read this book to her. My wife and I both teach at the elementary level so any opportunity to read fun stories such as these that teach kids about the nuances of friendship is dear to our hearts! The illustrations are fun and vividly capture the spirit of the Halloween season! This was the Kindle version of the book and I was concerned it would be diminished, but it wasn't. A wonderful surprise!

My 4 year old daughter LOVES the Franklin books. The tv episode is also very similar to the book.

LOVE Franklin books. Good price

This is a cute story and my kids loved it. However the digital edition is done poorly. Large sections of white where the words were on the pictures and blurred sections. One page even had the text left on it. :/

We are big fans of Franklin in our house. My two year old son seems to enjoy all the Franklin books we have tried so far. I like that Franklin's Halloween has a little bit of a suspense to it but it also reveals that the ghost wasn't really a ghost. I also like that the friends decide to share their treats at the end of the night with Bear who was sick and could not make the party. This was not available in paperback but I like the hardback version better and may switch to those if they are available.

Franklin was a favorite of mine growing up and now a favorite to my toddler

My grandson loves Halloween, and he loves this book.

Had a little suspense and scariness for Hallowe'en. Pictures were colourful and lots of detail. My grandkids kept looking for more ghosts in the background.
