## Synopsis

Sew cute and original clothes for your little angel with this easy-to-follow DIY sewing book. Yoshiko Tsukiori's sewing books provide elegant casual designs for women and children and have made her one of the most popular names in the sewâ "itâ "yourself craze. In *Sewing for Your Girls*, Tsukiori has done it again, creating eight adorable and endlessly versatile new patterns for clothes that will delight every mother's budgetâ "and suit every little girl's personal style and body type. Tsukiori provides easyâ "toâ "follow instructions (in English) and shares the basic techniques for creating all the classic elements of little girls' clothes. Today's emerging legions of DIY mothers will discover how to make: A round collared shirt or tunic A classic smocked sundress Overalls with plenty of pocket room Draw-string pants that fit beautifully A shawl-collared dress or top A gathered neckline shirt, tunic, or dress A pretty dress with shoulder ruffles A raglan top or dress Add ruffles or bows, add tiers or pockets, add sleeves or go sleevelessâ "each of these garments can be embellished in endless variations to create literally hundreds of different styles. Tsukiori also guides readers on how to select carefree, pretty, and inexpensive fabrics that girls will love to wear every day! Imagination and creativity are the keys to dressing girls stylishly on a budget, and *Sewing for Your Girls* makes it easy to mix and match the basic components so that each piece is as unique as it is beautiful.

Yoshiko Tsukiori is a popular designer whose books include the Stylish Dress series and Girls' Style, among others. A graduate of the Bunka Fashion Institute, her books are widely featured on sewing blogs all over the world.

I love many of the designs, however the pattern pages presented a problem for me. There are several sizes and they all overlap. That means tracing the size you want - had to purchase large roll of tracing paper in order to fully cover the pattern design. Not the end of the world, but still an added expense when using the patterns.

I am so happy to bought this book, its really easy to follow the steps, I made two dresses already n it's really cute. Can't wait to sew more of it....Thanks alot to make this in wnglish version.Can't wait for another book of her..Ã Â Â^Â•

Easy wearing and good easy patterns

This is so well written and adorable patterns.

This book is certainly not for beginners as I am one and I couldn't figure out the simplest dress in the book. Made me feel stupid. Oh well, maybe I am, what the heck!! Ã ÃÃ

Just as expected

My first Japanese sewing book, I loved it! The patterns are comfy and beautiful, easy to sew, and very explicit instructions. I want to make every single garment, I just find the sizes confusing, but that is because I am used to other patterns with the exact sizes, anyway right now I'm crazy drafting all the patterns, my daughter is just one year old so if it doesn't fit now it would fit soon
